

The SWCA are delighted to let you know that we have been successful in getting a grant from the National Lottery, Awards For All which has allowed us to reduce the price of competitions back down to £200 per team for the British Open and Scottish Championships and £100 for the National Pairs.

With the remainder of the grant, we have been able to set up a support fund for the 2024/25 season to assist wheelchair curlers with the cost of accommodation/travel expenses to the competitions.

A support payment for one tournament per season can be applied for, to qualify your home address must be 45 miles or more from the ice rink. The funds will be paid directly to your bank account after the event. Application forms will be available for each tournament both online and at the competition.

As the application for funding was for grassroots curling, unfortunately, funded GB squad players are not eligible to apply but will benefit from the reduced entry fees to competitions this season.
